How to Update Your Blofeld Desktop or Keyboard

Step 1

Be sure that your Blofeld is connected via USB to your computer directly,
without any USB Hub or other hardware.

Step 2

Download the Waldorf Spectre App.

Install Spectre in your applications folder.
Download the latest firmware.
https://support.waldorfmusic.com/products/Blofeld
Unzip the firmware.

Step 3

Launch Spectre.
Click "Audio/MIDI" to configure Spectre for your current system.
The important settings is "Midi Output".
Here you have to choose your Blofeld.

Close the MIDI & Audio Settings window.

Step 4

Click "Upgrade", choose the firmware you have downloaded and click „Open".
Wait till the update gets to 100 % and press the Play button on your Blofeld.
Do not TURN OFF your Blofeld. The Blofeld restarts.

That's it, have fun with your Blofeld!
Your Waldorf Team.
